INTERN WEB POSITION APPLICATION LETTER

Dear **Human Resources Department of TiffaTech Manufacturing and Trading Co., Ltd.,**

My name is Linh, currently a third-year student majoring in International Business. I am writing to express my interest in the Import-Export Sales Staff position at your company.

With a strong interest in international trade and logistics, I have been actively developing my knowledge and skills related to import-export operations, market research, and business communication. Through my academic studies as well as my internship and part-time experiences, I have gained practical exposure to working in a business environment, supporting sales activities, and understanding customer needs.

In addition to my technical knowledge, I bring the following skills and experiences: I am particularly confident in my communication skills in English, my ability to learn quickly, and my proactive working attitude. I have experience supporting business operations, collecting market data, and collaborating effectively in team environments. Additionally, I am eager to further develop my skills in international business, especially in import-export procedures and working with foreign partners.

As a motivated and responsible individual, I am willing to work hard, learn continuously, and contribute positively to the growth of TiffaTech. I believe this position would provide me with valuable opportunities to gain hands-on experience and enhance my professional capabilities.

I would greatly appreciate the opportunity to discuss how my background and enthusiasm align with your company's needs. Thank you for considering my application. I look forward to hearing from you.

Sincerely,
Nguyen Thi Linh
